## What Did We Do? How Did We Do?

1 What was the cause or issue that you tried to do something about?

2 Write a short description of what you did.

3. Make a list of specific things you tried to achieve. (e.g. put on a good concert, attract 200 guests, raise £200, make people more aware of our charity) –

How effective were you? Give yourself a mark out of 10.

4 What do you remember people saying about your activities?

5 What has changed in your school because of your Challenge activities?

6 What would you do differently if you repeated this exercise?

7 What difference did you make to the people / cause you were trying to help? (if it was a charity, describe the difference to the people they help, not that you helped the charity)

Finally (not in the group) - How would you describe the effect that running this campaign has had on you personally? You will not have to feed this back to everyone else.
